Miss Elsie Lincoln Benedict Will Speak Tuesday Night

The Boulder Women's club will give Boulder people a rare treat tomorrow night when they will have an opportunity to hear Mrs. Elsie Lincoln Benedict address them on women in war work. She is a noted suffrage speaker, attended the University of Colorado for three years and is highly endorsed by Mrs. Catt, Mrs. Mary C. C. Bradford and other noted women. She has been campaigning for war service in the east. Mrs. Benedict was formerly chief clerk of the Colorado state senate, later a clerk in the state land office at Denver. She is a very talented woman. She will address the Woman's club Wednesday. At both occasions of her speaking here the University Glee and Mandolin clubs will sing and play.
